

FREEDOM OF INFORMATION ACT 2000

Your request for information has now been considered and the Council's response to your questions is shown below.

You asked:

Under the freedom of information act I am requesting information on non-self-drive cars owned or leased by your council (ie cars owned or leased for the purpose of driving/chauffeuring elected members and/or council staff).

Specifically may I be informed of the number of cars leased or owned by your council for the purpose of driving/chauffeuring elected members, executives, and council workers? (i.e. not cars for self-drive)

ANSWER

I would also like to know the make and model of each car, whether it is owned or leased, and how much the car has cost the council in lease, or purchasing, over the past five financial years.

Please state how many times each of these have been used; and by which councillors and staff members (including their directorate), on a yearly basis, for the past five financial years.

For each car please can you tell me the yearly running cost – for each of the past five financial years.
