

FREEDOM OF INFORMATION ACT 2000

Your request for information has now been considered and the Council's response to your questions is shown below.

You asked:

I would like to request information regarding the area I received my ticket under the Freedom of Information Act 2000. If the council can please disclose how many people have received a ticket in the last 12 months in the Church Gate area and more specifically outside Eat-Away where I received my PCN.

ANSWER

1289 Penalty Charge Notices were issued on Church Gate Leicester between 6th Nov 2011 and 5th Nov 2012.

The Council is unable to break this figure down any further as we would need to look at all Penalty Charge Notices and photographic evidence individually to determine where on Church Gate the tickets were issued. This would take approximately 3 – 4 minutes per case which would be over 65 hours.

Section 12 of the Act makes provision for public authorities to refuse requests for information where the cost of dealing with them would exceed the appropriate limit, which for local government is set at £450. This represents the estimated cost of one person spending more than 18 hours in determining whether the department holds the information, locating, retrieving and extracting the information.

This is therefore a Refusal Notice under section 17.1 of the Freedom of Information Act, because under the provisions of section 12.1 of the Act, the Council estimates that to comply with your request in its current form will exceed the appropriate limit.
