Details Details : Customer wanting to speak to someone regarding the Leicester Speedway track being built at the rear of Beaumont Leys Leisure Centre. States that there is mud everywhere on the road and in the shopping centre. He has reported it to the Police . States that the sweepers come round and clean it but it gets dirty again. Actions Taken : sue baker from planning called to advise that this matter needs to be relocated to highways for their investigation.

she explains that the customer seemed very cross by all the mud on the road left by the lorries etc building the speedway near to beaumont leys leisure centre. Customer wasnt sure if the contractos would need to have some sort of machinery on site to wash wheels before leaving the area to prevent mud spreading.

Ward Beaumont Leys
