Your request for information has now been considered and the Council's response to your questions is shown below.

### **You asked:**

**HP Enterprise Services UK Ltd is a subsidiary of Hewlett Packard Holdings Limited and operates across the UK. Can you please give me the details of all properties on which HP Enterprise Services UK Ltd pays business rates in your local authority, including the square footage of the property if you have this information. I would like all results from the period January 2008 to the present.**

**HP Enterprise Services UK Ltd's registration number with Companies House is 00053419. Prior to January 2010, the company was called Electronic Data Systems Limited (the number was the same), so it is possible that some records may still be under this old name.**
