## Primary School Performance in Leicester

Leicester City Council does not have a ranking system for our schools. Due to the contextual datasets required, the information you require will be held on the performance tables section on the Department for Education's website. Please find link below;

<http://www.education.gov.uk/schools/performance/>

Navigating through the site is quite straight forward; you have the option to filter schools by phase (Primary, Secondary etc), by Postcode (with a radius of between 1 and 25 miles), by School Name, Town, by Local Authority and by Parliamentary Constituency.
