

FREEDOM OF INFORMATION ACT 2000

Your request for information has now been considered and the Council's response to your questions is shown below.

You asked:

“I would like to know how many one bedroom properties the council and housing associations have available to let for tenants who are considered to be under-occupying?”

Answer:

There are no one bedroom properties made available specifically for tenants who are under-occupying properties. However, there are 34, one bedroom Council and Housing Association properties available on Leicester HomeChoice for all applicants on the housing register to apply for this week. The number of properties available changes each week.

Leicester City Council does recognise the need for tenants who are under occupying to move and the allocations policy was updated to reflect this. Council and Housing association tenants who are under occupying their property and need to move to a one bedroom property are now given Band 1 priority, which is the highest band.
