

FREEDOM OF INFORMATION ACT 2000

Your request for information has now been considered and the Council's response to your questions is shown below.

You asked:

I would like access to information on school spend on supply staff/teachers from recruitment agencies for financial year 12/13. I would like to know the spend of each individual school and nursery in the LEA - primary, SEN and secondary schools and nurseries. I need to know exactly what agencies each school/nursery has used and how much they spent with each and every agency.

Please can I have it in the format of an excel spreadsheet with the schools in their sector. For example all the primary schools grouped together and then all the secondary schools grouped together and so on.

ANSWER

Please see attachment for the above information.

Leicester City Council only holds a record of the total agency supply staff expenditure for each school per financial year and is not broken down further. So we do not know which suppliers are used by each of the schools. Leicester City Council also does not have any Nursery Schools.

All schools maintained by the Council have local bank accounts through which their agency staffing invoices are paid. Please contact individual schools directly. The link below will take you to a list of schools within the Authority. <http://www.leicester.gov.uk/your-council-services/education-lifelong-learning/about-schools/schools-directory/schools-directory/>
