

FREEDOM OF INFORMATION ACT 2000

Your request for information has now been considered and the Council's response to your questions is shown below.

You asked:

To comply with the Freedom of Information Act will you supply me with the details of the 'World' communities that 'live' in the jurisdiction of the Leicester City Council, with the 'name' of each World community, the 'population' of each World community, and 'Passport' identification?

ANSWER: The City Council does not collate statistics about 'World' communities – therefore we don't have the information available in the form requested.

The Council does not hold this information. Therefore this letter acts as a refusal notice under section 17.1 of the Freedom of Information Act 2000 because, in accordance with section 1.1 of the Act, this information is not held by Leicester City Council.

However, we have undertaken some analysis of the city's diversity and migration outcomes based on the most recent census outputs. Please see attached report.

Census outputs, including statistics relating to Leicester's usual resident population, are publicly available from the Office for National Statistics via their neighbourhood statistics service:
