

FREEDOM OF INFORMATION ACT 2000

Your request for information has now been considered and the Council's response to your questions is shown below.

You asked:

Please could you supply the following information:

How many primary/junior schools (up to and including 11 years old) in the Leicester City Council area have applied for a Temporary Event Notice (TEN) between 01 April 2012 and 31 March 2013 to sell/serve alcohol to adults at events where children will be present? For example, school fetes and school discos

Of those who applied during that time period, how many schools were granted TEN licences and how many were rejected?

Between 01 April 2012 and 31 March 2013, how many Temporary Event Notices (TENs) have been requested by primary/junior schools (pupils up to and including 11 years old) in the Leicester City Council area wanting to sell/serve alcohol to adults at events where children will be present? For example, school fetes and school discos

Of those applications received, how many were granted and how many were rejected?

ANSWER

When we receive a temporary event notice there is no requirement for the applicant to tell us that the premises are a school. This is therefore not recorded. Nor do we have any information about whether it is a school to which children under 11 attend. Nor do we know whether children are admitted to the event. Therefore this is information not held under the Freedom of Information Act and a refusal notice under s17 of the Act.

We can however give you a list of the premises where the name of the premises as described by the applicant contains the word school, college or community, which may be of interest to you.
