

## **FREEDOM OF INFORMATION ACT 2000**

Your request for information has now been considered and the Council's response to your questions is shown below.

**You asked:**

**How much did it cost to:**

**(a) Scrub off the old road markings on Aylestone Road between Filbert Street East and Walnut Street;**

**(b) Add new bus lane markings in the same place;**

**(c) return the next day and scrub off the new markings;**

**(d) revisit the same place and add a second set of new markings?**

**Whose fault is this? The council for producing the wrong plans? Or the contractor for misreading plans given to them? Or did someone make a past-last minute change of mind?**

**If so who and why?**

### **ANSWER**

There was a planned alteration to the design. This was part of normal planned shift and therefore a specific cost cannot be identified within the overall service budget and this is information not held. Unfortunately there was a misread of the drawing by the lining crew. The return to remove and replace the markings was not actually the next day but on the next shift. There was no additional cost to remove the lining or replace it as the work was incorporated into a planned shift.
