

## **FREEDOM OF INFORMATION ACT 2000**

Your request for information has now been considered and the Council's response to your questions is shown below.

### **You asked:**

**Could you please tell me how much money Leicester City Council has spent on social media (including Facebook, Twitter and YouTube) since the start of the 2010-11 financial year? This should, as far as possible, include the salaries of any members of staff whose sole or main duties involve social media; the cost of the time spent by other staff administering social media; the cost of training staff to use social media; and any technological or administrative costs associated with the council's social media accounts.**

**ANSWER:** In relation to this request, this is not information we hold. We do not have staff who are dedicated solely to social media, and there are many staff across the Council who use social media as an integral part of their role across a range of services. We have not spent anything else specifically on this area.

The Council does not hold this information. Therefore this letter acts as a refusal notice under section 17.1 of the Freedom of Information Act 2000 because, in accordance with section 1.1 of the Act, this information is not held by Leicester City Council.

The legislation allows you to use the information supplied for your own personal use. Please be aware that any commercial or other use, for example publication, sale, or redistribution may be a breach of copyright under the Copyright, Designs and Patents Act 1988 as amended unless you obtain the copyright holder's prior permission.

Not all the information that is supplied which is covered by copyright will be the Council's copyright, for example it may be the copyright of a government department or another Council. You should seek either the Council's consent or their consent as appropriate. The Council is willing to advise you of any such potential issues on request. In order to make a request to re-use the information please contact the Information Governance Manager using the details below.
