## **ANSWER**

Please find attached a spreadsheet containing the operator name, the location and the date of each event, this date provides the start and end date of the licence.

The postal addresses and contact details of the operators are already in the public domain. For your information this letter constitutes a refusal notice under Section 17.1 of the Freedom of Information Act 2000 because an exemption under Section 21 of the Act is being applied, namely the information is accessible by other means.

We have also redacted the fees paid as disclosure may disadvantage the Authority when negotiating licence fees for future events. This part of the letter therefore acts as the statutory refusal notice required by section 17.1 of the Freedom of Information Act 2000 because of the reasons contained in FOIA S43.2 – the disclosure of this information would, or would be likely to prejudice the commercial interests of any person (including the authority holding it).

Section 40(2) - Personal Data. We are also withholding individual names from the list as this is their personal data and is exempt from release under the Act.

The legislation allows you to use the information supplied for your own personal use. Please be aware that any commercial or other use, for example publication, sale, or redistribution may be a breach of copyright under the Copyright, Designs and Patents Act 1988 as amended unless you obtain the copyright holder's prior permission.

Not all the information that is supplied which is covered by copyright will be the Council's copyright, for example it may be the copyright of a government department or another Council. You should seek either the Council's consent or their consent as appropriate. The Council is willing to advise you of any such potential issues on request.
