

FREEDOM OF INFORMATION ACT 2000

Your request for information has now been considered and the Council's response to your questions is shown below.

You asked:

Under the freedom of information act, i would like to request a list of all your approved local, regional and national building contractors. Specifying relevant discipline and contact details.

ANSWER:

I confirm that the Council does not currently operate an approved list of local, regional or national building contractors. It occasionally makes reference to the Exor Data Base list but prefers to advertise opportunities using either Open Tendering or a two stage Tendering process using a pre-qualification questionnaire.

The Council does make use of the SCAPE and EMPA national and regional framework agreements which operate with single Contractors within certain regional and value bands. The current Contractors used are Kiers, and Willmott Dixon.
