

FREEDOM OF INFORMATION ACT 2000

Your request for information has now been considered and the Council's response to your questions is shown below.

You asked:

Please provide data on staff turnover between 1/8/2011 to the current date. To clarify - I wish to know how many staff left the council /LASBU and how many were appointed within this time-line. I would like you to give the post title for each leaver and each starter in the group I have specified and give the leaving/starting date. Where a manager has gone on secondment outside the council then please give details of this also and give details of any temporary appointments and acting ups within the council. I understand the council issues a starters and leavers list to all staff with the post titles on it and so I see there are no data protection issues.

I would also like to know the reason for leaving, e.g. retirement, Redundancy, and so on. If this can't be given for each leaver then please break down the number of leavers within the time-line I have specified into groups in a separate statement e.g. x number made redundant, y number retired early and so on. Please provide as well the names and job-titles of the Department-members of LASBU.

ANSWER: Please see attached document for the answers to your request.

I can confirm that we also hold the names of staff. However we are withholding that information since we consider that to be an absolute exemption under section 40(2) (personal data), and this therefore constitutes a refusal under section 17 of the Freedom of Information Act 2000.
