

FREEDOM OF INFORMATION ACT 2000

Your request for information has now been considered and the Council's response to your questions is shown below.

You asked:

This is a request under the Freedom of Information Act 2000 which relates to insurance so should be passed to the Insurance Officer or person responsible for insurance within your organisation.

- 1. Does your organisation insure with Zurich Municipal via their Select group of policies - Yes/No**

ANSWER: No.

We confirm that we do not insure our property portfolio with Zurich Insurance and this includes all our All Risks insurances.

- 2. If Yes, does your organisation have an All Risks - Part K policy under the select group of policies - Yes/No**

This is the policy which provides All Risks cover for higher value contents and where All Risks cover is needed. It would normally reside under Part K of the Select policies but may be contained in another section depending on how your policies are arranged.

- 3. If the answer is No to either of the above then please discontinue with this FOI and reply as appropriate.**

- 4. If you do have an All Risks-Part K (or All Risks policy under another section) then please supply a copy of this document as part of this FOI request and answer the following:**

- 5. This question relates to the theft cover under the All Risks - Part K (or All Risks policy under another section) of the select policy which has no specific definition of theft within the policy itself. As such clarification may need to be sought from insurers via e-mail on the following point:**

a) Is the theft cover restricted to forcible and violent entry/exit from the premises.

b) Is theft not restricted to forcible and violent entry/exit from the premises.

Questions 2 to 5b) are all not applicable as we do not insure with Zurich Insurance.
