

FREEDOM OF INFORMATION ACT 2000

Your request for information has now been considered and the Council's response to your questions is shown below.

You asked:

Can you confirm that the road maintenance expenditure of £3,091,139 for the 12/13 fiscal year does not include the construction of new roads or modification of old roads (for example - adding bus lanes)?

ANSWER

The road maintenance expenditure does not include the construction of new roads or the modification of existing ones.

Can the budget, and expenditure for 13/14 also be provided and clarify whether this includes construction of new roads or modification of old roads (for example - adding bus lanes).

The budget for road maintenance for 2013 / 14 is £3,570,700 and currently £2,214,085 has been spent and a substantial part of the remainder is already committed. Again this expenditure is for maintenance and not construction of new roads or modification to old ones. Part of the expenditure has been for resurfacing works within the Aylestone bus corridor scheme but it was maintenance work primarily reconstructing and resurfacing Lutterworth Road.
