Recruitment target (Excluding kinship) is 36 new foster care households.

5. Please provide a copy of the payment structure (fees and allowances) you offer your in-house foster carers

Payment structure can be found at:

<http://www.leicester.gov.uk/your-council-services/social-care-health/fostering-and-adoption/fostering/fostering-payments/>

6. Based on all of your current in-house fostering placements (excluding short break and respite), what is the average weekly cost of a placement with an in-house foster carer?

The average weekly cost is £320; however, this does include respite and short breaks as there is insufficient time to isolate payments and be able to respond to all other aspects of the request.

Section 12 of the Act makes provision for public authorities to refuse requests for information where the cost of dealing with them would exceed the appropriate limit, which for local government is set at £450. This represents the estimated cost of one person spending more than 18 hours in determining whether the department holds the information, locating, retrieving and extracting the information.

This is therefore a Refusal Notice under section 17.1 of the Freedom of Information Act, because under the provisions of section 12.1 of the Act, the Council estimates that to comply with your request in its current form will exceed the appropriate limit.

7. What was your actual and projected budget expenditure for in-house fostering placements in the financial year 2013/14

Projected spend = £4,790,200
Budget = £4,716,900
