Your request for information has now been considered and the Council's response to your questions is shown below.

### You asked:

I want to know how much money has been spent on cloud-based services by the council since February 2012 (when the Government's G-Cloud initiative began). Furthermore, I'd also like to know how much money has been spent on procuring cloud services via G-Cloud, as well as buying cloud products from other, non-G-Cloud sources.

I'd also like to request a breakdown of the type (vendor and function) of cloud products the council has purchased since February 2012, too.
