

Freedom of Information Act 2000 – subcontractors and suppliers list for Electrical installation work

Your request for information has now been considered and the Council's response to your questions is shown below.

You asked:

“I write to request an up to date list of subcontractors, suppliers and consultants & telephone numbers involved in the Rewiring and Periodic Inspection and Testing of Domestic Electrical Installations within Council Dwelling's 2013-2016.

**Electrical installation work
Electrical wiring and fitting work
Electrical wiring work
Electrical fitting work
Electrical supplies and accessories
Electrical services
Fire-alarm system installation work
Plastering work**

City Council wishes to appoint up to 3 specialist electrical contractors to carry-out the rewiring and/or upgrading of domestic electrical systems together with associated electrical works and making good within the City Council's housing stock, city wide. In addition the contractors will be required to design, install, test and commission the systems as well as carrying out Electrical Installation Condition Reports (EICR) as necessary. The successful contractor will provide all necessary materials to complete these works!”

Answer:

Please see the attached list of all contractors and suppliers involved in electrical installation, wiring and fitting work, electrical supplies and accessories, electrical services, fire-alarm system installation work and plastering work.

The legislation allows you to use the information supplied for your own personal use, or for journalistic purposes. If the information is a dataset (which does not relate to the environment), you may also use the information for commercial re-use under an [Open Government Licence](#).

If you are dissatisfied with the handling of your request please write to:

**Information Governance Manager
