You asked:

Thank you for the information on potholes. Unfortunately the information you provided does not give some of the information I need. You have provided a list of customer reported carriage way defects which includes dates and road names but not the exact location. Without the location, this information is not useful to me.

In particular I need the location of the holes on Aylestone Road, AS REPORTED BY CUSTOMERS, for the date range I requested.

ANSWER:

[Please find attached spreadsheet with the specific location details where it has been given by the customer.](#)
