

Freedom of Information Act 2000

Your request for information has now been considered and the Council's response to your questions is shown below.

You asked:

Does your local authority adopt a strategy of fining residents for not recycling? If so, please send a complete breakdown between 2009-2013 (presented by quarter) in fines, warning letters and home visits that have been issued in regards to residents failing to recycle, within your borough?

Clarification received on 02/06/14:-

This is regarding household recycling bins and not any fly tipping related offences. Please share details on fines, visits or warning letters that have been issued in relation to residents for not recycling.

ANSWER:

We do not have any policy in place for household recycling and have therefore not fined anyone for not recycling.

The legislation allows you to use the information supplied for your own personal use, or for journalistic purposes. If the information is a dataset (which does not relate to the environment), you may also use the information for commercial re-use under an [Open Government Licence](#).
