

Freedom of Information Act 2000

Your request for information has now been considered and the Council's response to your questions is shown below.

You asked:

I would be most grateful if you would provide me, under the Freedom of Information Act, details in respect of any current framework agreements and/or block contracts that relate to older person services within a residential setting. These are to include the following care categories: Long term, short term, respite, dementia, nursing and residential care, within the Local Authority setting.

The details we require are:

- **Suppliers who applied for inclusion on each framework/contract and were successful & not successful at the PQQ & ITT stages***
- **Contract values of each framework/contract (& any sub lots), year to date**
- **Start date & duration of framework**
- **Is there an extension clause in the framework(s)/contract(s) and, if so, the duration of the extension?**
- **Has a decision been made yet on whether the framework(s)/contract(s) are being either extended or renewed?**

[There are no framework and /or block contracts in place relating to older persons services within a residential setting.](#)

The legislation allows you to use the information supplied for your own personal use, or for journalistic purposes. If the information is a dataset (which does not relate to the environment), you may also use the information for commercial re-use under an [Open Government Licence](#).
