

Freedom of Information Act 2000

Your request for information has now been considered and the Council's response to your questions is shown below.

You asked:

I would like to know if you could supply me with the areas of properties that are of Solid Wall Construction.

ANSWER:

Leicester City Council does not hold property specific information on all dwellings within the city. But in general terms we can advise that approximately 50% of housing stock within the city is believed to be of solid wall construction; this equates to approximately 60,000 dwelling. Some areas of the city contain higher levels of solid wall stock than others. We have attached a ward map of the city for your information which gives an indication of solid wall stock distribution.

The legislation allows you to use the information supplied for your own personal use, or for journalistic purposes. If the information is a dataset (which does not relate to the environment), you may also use the information for commercial re-use under an [Open Government Licence](#).

If you are dissatisfied with the handling of your request please write to:

**Information Governance Manager
Information Governance Team
Leicester City Council
9-15 Princess Road West
Leicester
