At the moment I am working on my research doing 'cost of potholes repair'. This research is specifically aiming on road pavement potholes.

Kindly asking someone who has worked or has working under road pavement to answer my small questionnaire which I designed that will only take about 5-10 minutes. I'd be very grateful if you could help. It mainly covers pothole patching, the thickness of potholes, asset management and etc.

ANSWER: [Please find attached completed questionnaire.](#)
