

Freedom of Information Act 2000

Your request for information has now been considered and the Council's response to your questions is shown below.

You asked:

Could you instead provide a CSV list of individual tickets to the following detail for the same time period. Date Issued (i.e 01/07/2014), Time (if possible), Postcode (i.e LE1 6WT)

Answer:

Unfortunately our parking records system is not set up to extract the kind of information you have requested and it would require accessing each individual PCN to find the information. Contraventions are also recorded by street not postcodes. As we have previously explained this would take approximately 149 hours and is therefore exempt from release under s12 of the Freedom of Information Act.

However, the system can provide a list of streets and the number of penalty charge notices issued for the month required. These .csv files have been attached and I hope that they are of interest to you.

The legislation allows you to use the information supplied for your own personal use, or for journalistic purposes. If the information is a dataset (which does not relate to the environment), you may also use the information for commercial re-use under an [Open Government Licence](#).
