

## **FREEDOM OF INFORMATION ACT 2000**

Your request for information has now been considered and the Council's response to your questions is shown below.

### **You asked**

Could you please provide me with the latest information you have on:

1. The salary of senior officers employed by your local authority. Please provide me with the salary of any officer earning more than £150,000 per year, by name and position, and the salaries of those earning between £50,000 and £150,000 per year by position.

### **Response**

[Please see attached table](#)

2. The salary of head teachers employed by your local authority who earn a) £150,000 or more or b) £100,000-£150,000 or more.

[Please see attached table](#)

3. The salary of head teachers employed by the governing bodies of schools in your local authority which are state-funded but not academies who earn a) £150,000 or more or b) £100,000-£150,000.

[Please see response for 2a and 2b in the attached table\\*](#).

4. Details of any money paid by the local authority, or by local authority schools, to any head teacher under the "National Leaders of Education" scheme. If money has been paid by the local authority to the school of a head teacher working under the "National Leaders of Education" scheme, rather than the head teacher themselves, please also provide details.

[We have 4 National Leaders of Education currently working in Leicester; 3 are in Leicester schools and 1 is in a Leicestershire school.](#)

[There is a charge for NLE services which covers the Head teacher's time out of the school.](#)

[The charge is a National College bursary currently paid to each National Support School \(of which the NLE is the Head\) to enable them to have sufficient resource to negotiate their deployments; pay for travel and expenses in the course of their NLE work and to provide support and training as required for their staff in their school whilst they are out supporting other schools.](#)

No payment is made to the Head teacher and it goes directly into school budgets, therefore the Head teacher does not benefit personally from this money.

\*The salary information given in the table is banded as an individual's salary is classed as personal information under Section 40 of the Freedom of Information Act. We have however tried to provide sufficient detail to get as close as possible to what was asked.

Please also note the salary figure does not include NI or superannuation contributions.
