

FREEDOM OF INFORMATION ACT 2000

Your request for information has now been considered and the Council's response to your question is shown below. I apologise for the delay in replying to this request

I wish to know how many yards/metres of close boarded or similar timber fencing have been erected on the boundaries of council-owned residential properties within the last 3 years?

This request excludes chestnut paling or chain link fencing and requires information on boarded fences of about 5-7 feet in height.

Due to changes in our computer systems we only have records going back to 1st April 2009. Since this date we have installed 4,172 metres of close boarded fencing to the boundaries of LCC residential properties.
