

FREEDOM OF INFORMATION ACT 2000 - Parking Restrictions Report

Your request for information has now been considered and the Council's response to your questions is shown below.

You asked:

I'd like to get hold of a report that went to a council meeting in 2006/7 (I think). The report put forward rules and criteria in connection with the council's assumption of responsibility for enforcing highway parking restrictions (previously enforced by the police). I understand that the report was agreed by the meeting. It is now used by the parking and enforcement team to determine whether or not first-stage challenges to parking tickets should be accepted.
