

## **FREEDOM OF INFORMATION ACT 2000 - 106 Agreements**

Your request for information has now been considered and the Council's response to your questions is shown below.

**You clarified your request on the 15<sup>th</sup> November to ask:**

- 1. How much Section 106 money is unspent from developments in Leicester over the last 5 years?**
- 2. Breakdown of how much Sct 106 money was linked to each development, and how much of that has still been unspent in each case?**
- 3. In each case what was the money supposed to be spent.**

Attached is a spread sheet that answers the request. £565,785 of the money received over the last 5 years is not yet spent, less than 10% of the total received. The attached schedule shows the planning permissions where some or all of the money received has not been spent, the service area for which the contribution was secured, the amount spent and the intended use for the money where known. £205,950 of the money received for green spaces is to be spent in the area of the development rather than allocated to a specific site.
