

FREEDOM OF INFORMATION ACT 2000

Your request for information has now been considered and the Council's response to your questions is shown below.

You asked:

I would be grateful if you could confirm the current tender information. I wish to clarify whether there is a preferred contractor to collect waste oil produced by the Leicester City Council's various operations and if there is, when that tender will expire?

Only schools use this type of service and it can also take some time for a school to accumulate the minimum waste oil required for collection. Half a dozen schools have used the service this year. There is no contract in place and no tendering to expire. The waste transfer is carried out by Biodepot Ltd and there is no charge for the collection and disposal of the oil.
