

FREEDOM OF INFORMATION ACT 2000

Your request for information has now been considered and the Council's response to your questions is shown below.

You asked:

Is your council planning to cut back on the funding and/or ceremonial duties of your mayor in the budget proposals being finalised for the financial year 2012/13.

The budget proposals for 2012/13 which are currently out to public consultation and are therefore still to be finalised and agreed, include a proposal to make savings relating to the Civic Office and associated expenses. The Civic Office supports the civic and ceremonial roles of Lord Mayor, Deputy Lord Mayor and High Baliff. In doing so we will be seeking to mitigate against any impacts in terms of the actual duties undertaken by these roles including ceremonial visits.

If so, please confirm the figure your council is hoping to save from the mayoral budget and the 2011/12 level of funding.

The saving proposed is £35,000. The budget for 2011/12 for the Civic Team is £188,000.

Please identify which - if any - of the following changes you are proposing to make:

Reducing the frequency of ceremonial visits undertaken by your mayor

This change is not being considered. However it should be noted Leicester has recently elected a city mayor and we expect some of the non-ceremonial duties traditionally carried out by our Lord Mayor to be undertaken by the City Mayor in future.

Stopping the mayoral car

This change is not being considered. However in line with our commitment to carbon reduction we will be exploring in the future whether there are more carbon efficient options.

Cutting back on expenses related to civic regalia (please give details)

This change is not being considered.

Any other area not described above (please give details).

Savings are proposed in relation to staffing of the function which supports the Lord Mayor and other civic and ceremonial roles.

If your council is cutting back on mayoral activities, is this expected to be a temporary measure or one that will continue for the foreseeable future?

The savings will be permanent.

If it is a long-term expectation that mayoral ceremonial activities will be reduced, has any impact assessment been conducted on the effects of this? (Please explain your answer)

See above - not applicable

Is your council considering scrapping the role of ceremonial mayor entirely?

This is not being considered.
