

## **FREEDOM OF INFORMATION ACT 2000 - Trees, Debris Overhanging**

Your request for information has now been considered and the Council's response to your questions is shown below.

### **You asked:**

**Please can you provide me with all instances of environmental reporting (e.g. anything to do with with trees, debris, overhanging) by the public, as far back as you have on the file/system for the first green area opposite 2,4,6 and 8 Fowler Close, Beumont Leys Estate. Please can you provide in a table format listing the date, what was reported and an identifier for the area.**

Our current system for Trees and Woodlands holds all enquiries/complaints going back to 4<sup>th</sup> September 2007. Within this database there is only one instance regarding the aforementioned area.

On 7<sup>th</sup> November 2011 a complaint was made at our Beaumont Leys Housing Office by a member of public with reference to the trees in the location, with branches coming off the trees, wedging in other branches and then falling to the ground below. The complainant reported receiving an injury by tripping and falling over something that appeared to have blown off the tree and was covered with leaves.

The legislation allows you to use the information supplied for your own personal use. Please be aware that any commercial or other use, for example publication, sale, or redistribution may be a breach of copyright under the Copyright, Designs and Patents Act 1988 as amended unless you obtain the copyright holder's prior permission.

Not all the information that is supplied which is covered by copyright will be the Council's copyright, for example it may be the copyright of a government department or another Council. You should seek either the Council's consent or their consent as appropriate. The Council is willing to advise you of any such potential issues on request. In order to make a request to re-use the information please contact the Information Governance Manager using the details below.
