Whilst the council does have supported living properties where it is the landlord, we do not directly provide the actual care provision at these supported living properties. The care provision is provided by external suppliers. There are therefore no agency care or care support workers deployed by the council at our supported living properties.

**3. Advise which of question 2 are expected to be closed in 2012?**

**Children's Services**

Neither of the children's residential units listed in response to your question 2 are expected to close in 2012.

There are no plans to close any of the Council's Sure Start centres or nurseries.

**Adult Services**

**Residential Care Homes**

The council carried out a consultation on the future of its elderly persons' homes last year and the results of the consultation are available on the Leicester City Council website:

<http://consultations.leicester.gov.uk/feedback.aspx?Con1=383>.

No decisions on the future of the council's elderly persons' homes have yet been made. The budget proposals, on which the council is currently asking

for views, are still subject to a final decision by the City Mayor and his cabinet.

## **Day Services**

The council has just published its budget proposals for the next three years. It is now starting to consult people on those proposals, which cover all of the council's services and activities.

Within these proposals there is a large section on the budgets for the council's adult social care services and this includes some budget proposals for council-run day services.

No decisions on the future of the day services have yet been made and the inclusion of a budget line on day services in the 'Proposed Adult Social Care Budget for 2012-2015' does not mean that their future has been decided.

The budget proposals, on which the council is currently asking for views, are still subject to a final decision by the City Mayor and his cabinet. Future decisions about day care services will be subject to consultation.

### **3. Provide an organogram showing the Social Services Departments within the Council**

Please find attached at Appendix A our current structure for Children & Young People's Social Care & Safeguarding

Please find attached at Appendices B, C and D structure charts showing the 3 Adult Social Care division; Care Management, Care Services and the Strategic Commissioning division.

Appendices C and D show only the top level structure within the 2 divisions concerned. No current organogram is held depicting the operational teams and units within these divisions. To this extent, this is a Refusal Notice under Section 17.1 of the Freedom of Information Act 2000, because in accordance with Section 1.1 of the Act this information is not held.

The Senior Management structure of the council is currently subject to review and therefore no organogram is available to depict this. However reporting lines for the senior management structure in Adults, and Children & Young People's social care are as follows:

- Our Director of Children & Young People's Social Care & Safeguarding reports to the Strategic Director (Education & Children's Services).
- Our Director of Care Management, Director of Care Services and Strategic Commissioning and Interim Director of Care Services all report to our Strategic Director (Adults & Communities).
- The Strategic Directors report to the Head of Paid Service, who in turn reports to the City Mayor.

To the extent that there is no structure chart depicting reporting lines for our current social services senior management within the Council, this is a Refusal Notice under Section 17.1 of the Freedom of Information Act 2000, because in accordance with Section 1.1 of the Act this information is not held.
