

FREEDOM OF INFORMATION ACT 2000

Your request for information has now been considered and the Council's response to your questions is shown below.

1) How many houses are being fitted with exterior insulation and why?

792 homes are being fitted with exterior insulation in order to help to reduce fuel poverty and save energy.

2) What is the overall cost of fitting this insulation to a property?

The cost of fitting exterior insulation to each property is £1,080.69.

3) How many properties are being fitted with solar panels and why?

662 properties are currently being fitted with PV(solar) panels in order to help reduce fuel poverty and save energy.

4) What is the overall cost per property for the installation of solar panels?

These are fitted by energy suppliers and there is therefore no cost to the Council.

5) Are the properties being fitted with insulation / solar panels or both?

Some properties are just having external insulation fitted, some are just having PV panels fitted and some are having both fitted.
