

FREEDOM OF INFORMATION ACT 2000

Your request for information has now been considered and the Council's response to your questions is shown below.

You asked:

Details about your library departments' staff structure; i.e. management, librarians and library assistants. I'd like to know how many staff you have in each role and how much you pay each group of staff. Would you also be able to provide a job description for your library assistants?

Please see attached documents. Included is a structure chart, a spread sheet to show how many staff we have in each role and the pay grades and a job description for the Library Assistant.
