

FREEDOM OF INFORMATION ACT 2000

Your request for information has now been considered and the Council's response to your questions is shown below.

You asked:

I am looking for an up-to-date document (word document, spreadsheet or PDF) which contains full details of your LA's schools alongside their contact details (including their URN, postcode, telephone numbers and email addresses)

If you have a document which contains information of all your LA's schools, their details (including their URN, their telephone number, postcode and email), please could you send it to me by email?

In particular I would like information on maintained secondary schools, but if you also have details of primary schools, middle schools, special schools and independent schools I would be very grateful if you could include this too.

For your information this letter constitutes a refusal notice under Section 17.1 of the Freedom of Information Act 2000 because an exemption under Section 21 of the Act is being applied, namely the information is accessible by other means, the Council Website, as it is already in the public domain.

The link below will take you to a list of schools within the Authority.
