

## **FREEDOM OF INFORMATION ACT 2000 - New Homes Bonus Scheme**

Your request for information has now been considered and the Council's response to your questions is shown below.

### **You asked:**

- 1. Where money received through the New Homes Bonus scheme in year one payments was spent. This was paid from the Communities and Local Government department to councils in April 2011.**
- 2. Whether this money has gone into a general fund, or been spent on a specific project**
- 3. If the money has been spent on housing, how many of those homes were affordable**

The £1.4m New Homes Bonus expected by Leicester City Council in 2011/12 is being used to support the Council's budget generally, rather than being spent on specific projects. This is in the context of the significant reductions to the Council's funding and recognises that the New Homes Bonus is top-sliced from Local Government Formula Grant at national level (such that it is not "new" money for Local Government).
