

## FREEDOM OF INFORMATION ACT 2000

Your request for information has now been considered and the Council's response to your questions is shown below.

### You asked:

**I would like to know which external service the council use when hiring translators, the name of company, the amount they pay per hour and how much they spent in the year 2011-12. I would also like to know the qualifications of these translators and what the translators/interpreters are used for.**

### ANSWER:

The Council does not use an external service to hire translators, we have an Internal Community Languages Unit who provide a translation and interpretation service to all Council services as required. The Unit provides this via the direct engagement of freelance translators. No external company is involved.
