

## **FREEDOM OF INFORMATION ACT 2000**

Your request for information has now been considered and the Council's response to your questions is shown below.

**You asked:**

**How many of the signs have been displayed in the city?**

**ANSWER:**

In total 40 blue Queen's Diamond Jubilee banners were installed and are now on display in the city.

**The cost of the above signs?**

The price for the 40 banners is £3,970 (this includes production, installation and removal of each banner).

**How many man hours were spent erecting the signs?**

The total 'man hours' spent erecting the signs = four hours in total.

**How many people erected the signs, council staff or contractors?**

Two people put them up. No council staff time was directly associated with the erecting of the banners as the cost for this is included in the overall banner production, installation and removal cost charged by the company used to manufacture and install the banners.

**Cost of the above?**

The total cost is included in the figure quoted above.

**How long will the signs/banners be displayed?**

The banners will stay up until after the Queens Diamond Jubilee celebrations have finished, i.e. around the 6<sup>th</sup> or 7<sup>th</sup> June following the Diamond Jubilee bank holiday weekend.
