

FREEDOM OF INFORMATION ACT 2000 – Unadopted highways

Please accept my apologies for the delay in responding, which was an oversight on my part. Your request for information has now been considered and the Council's response to your questions is shown below.

You asked for a list of unadopted highways with a s38 agreement in place, contact details for the officer responsible and details of third party surety providers.

This information is exempt from release under the Freedom of Information Act section 21, as it is available elsewhere, namely in our Publication Scheme. You can find the information at:

This explains the contact details (we do not release the names of general staff, this is exempt under s40 of the Fol Act – personal data) and also outlines the charges that are allowable under the Publication Scheme.
