

FREEDOM OF INFORMATION ACT 2000

Your request for information has now been considered and the Council's response to the Freedom of Information part of your query is shown below.

You asked:

Location: off-carriageway cycle route crossing Bede Park at the Briton Street bridge.

I would also like to know if other cases of accident/ injury at this point have been reported or are known; if so, how many, over what period.

I asked the woman concerned to report the matter herself, and I hope that she has or will do this.

ANSWER

The Council has checked all the areas that a complaint could have been submitted via and can report that there are no recorded casualties on or adjacent to this footway/cycleway bridge over the last 10 years.
