If you have any comments related to the Disabled Facilities Grant in your area, please set them out here:

Sorry for the delay. A lot of the information that you requested is not kept for management purposes nor held on our computer database. We have had to manually trawl back through records and files, which has been very time consuming.

As you can see from our budget, the City mayor is determined to make inroads into our backlog despite the very difficult financial situation we are in. This will do a lot to help continue our improving trend.

Please return completed survey to:
