

FREEDOM OF INFORMATION ACT 2000

Your request for information has now been considered and the Council's response to your questions is shown below.

You asked:

A breakdown of all teams that employ social workers across the authority within children's, adults and older peoples services. Please include with this the title and full address of each team including the managers name(s).

Please note that a basic structure chart is not what I require unless it contains all the information listed above.

Please find the relevant information attached. The Divisional Directors are provided along with team names and address details. However, staff names below director level are exempt from release under section 40(2) of The Act as they are personal data and this therefore acts as a refusal notice under section 17 of the Freedom of Information Act 2000.

The legislation allows you to use the information supplied for your own personal use. Please be aware that any commercial or other use, for example publication, sale, or redistribution may be a breach of copyright under the Copyright, Designs and Patents Act 1988 as amended unless you obtain the copyright holder's prior permission.

Not all the information that is supplied which is covered by copyright will be the Council's copyright, for example it may be the copyright of a government department or another Council. You should seek either the Council's consent or their consent as appropriate. The Council is willing to advise you of any such potential issues on request. In order to make a request to re-use the information please contact the Information Governance Manager using the details below.
