

FREEDOM OF INFORMATION ACT 2000

Your request for information has now been considered and the Council's response to your questions is shown below.

You asked:

I would like to make a request under the freedom of information act to obtain information regards School clusters.

Number of cluster's in the authority?

Which schools are in each cluster?

Is there a salaried person specifically employed as a cluster co-ordinator?

Response:

Please see the attached document showing the different school clusters (development groups) and the schools in each development group.

Within the LA there isn't one individual officer who is responsible for clusters or development groups. LA officers within Learning Services have a responsibility to promote school to school collaboration, networks and clusters where it will aid school improvement, achievements and outcomes.

There is a Strategic Primary Lead Head teacher who leads the City Primary Head teacher Organisation and a Director of the Secondary Education Improvement Partnership (EIP). Both are paid by their respective school organisations.
