

FREEDOM OF INFORMATION ACT 2000

Your request for information has now been considered and the Council's response to your questions is shown below.

You asked:

Could you please provide the total length in footway Km and % length of your footway network you intend to inspect using the Footway Network Survey (FNS) this financial year. Do you expect the quantity to increase, remain the same or reduce by the next financial year.

ANSWER

The length is approx. 325km this year which equates to 25% of the footway network. This quantity is likely to remain static for the next financial year however there may be some footways which cannot be inspected due to works or closures at the time of survey.
