

## FREEDOM OF INFORMATION ACT 2000

Your request for information has now been considered and the Council's response to your questions is shown below.

### You asked:

**Please could you provide an Excel spreadsheet detailing all payments that the council has made to any Christian churches, Christian ministries or other Christian worship groups (i.e. any organisation whose primary purpose is religion - NOT any organisation with a religious element at all, e.g. NOT Christian schools, etc.)**

**"Payments" should include any money transfers at all, including grants, loans and payment for work/services, etc. I would like this information dating back for the last five financial years (i.e. 2007/'08 - 2011/'12).**

**For each payment, please state (a) the amount of money, (b) the name of the recipient and (c) the date of the payment. (NB: if the payment has been agreed but is yet to be fully paid, please simply give the date the payment was agreed upon). I would also be very grateful for any additional information regarding the payments, such as the purpose of the payments if this is available. However, if getting this information would be too time-consuming for FOI limits, details about the reasons for the payments may be omitted.**

### ANSWER:

We have over 156,000 invoices paid per annum via the Exchequer Team. We would need to look into each invoice separately to see if any payments have been made to any Christian churches, Christian ministries or other Christian worship groups. If we allowed for 1 minute only for the last year it would still take over 2600 hours. Section 12 of the Act makes provision for public authorities to refuse requests for information where the cost of dealing with them would exceed the appropriate limit, which for local government is set at £450. This represents the estimated cost of one person spending more than 18 hours in determining whether the department holds the information, locating, retrieving and extracting the information.

This is therefore a Refusal Notice under section 17.1 of the Freedom of Information Act, because under the provisions of section 12.1 of the Act, the Council estimates that to comply with your request in its current form will exceed the appropriate limit.

You can however look at our website where we publish all invoices over £500. We have provided the link below.
