You asked:

We are currently conducting research into the pressures Children and Adolescent Mental Health Services are facing due to the national pressure to make cuts in budgets. We hope to be able to use the information in our discussions with Government to demonstrate the pressure some CAMH services are facing and to reiterate the important role CAMHS plays in supporting children and young people.

I would be grateful if under the Freedom of Information act you could supply me with the following:

- 1) Please could you tell me the budget for Child and Adolescent Mental Health Services (CAMHS) for each of the following years a) 2010-2011, b) 2011-2012 and c) 2012-2013?**
- 2) Please could you also tell me whether, between April 2010 and the date of this request**
 - a) the criteria for being accepted for assessment and/ or treatment within the CAMH service has changed**
 - b) there are now groups of clients/ types of problems for which you do not accept referrals**
 - c) the criteria for which agencies/ people are allowed to refer into CAMH services has changed**

I would be grateful if you could provide me with a copy of any existing referral criteria or guidance on offering assessment and any previous criteria/ guidance issued after April 2010.
