

Academic YR 2011/12				
PART A	School Type	FTE No.	PERM No.	Total Pupil Population
	Primary	341	0	22227
	Secondary	1223	9	16669
	Special	223	0	759
	Totals	1787	9	39655

PART B Key Figures from SES:

16 pupils known to SES for ADHD with a statement received a FTE (Fixed Term Exclusion)

1 Pupil known to SES for ADHD with a statement received a PERM (Permanent Exclusion)

	%	Sample set	Interpretation
PART C	% of FTE population	16 of 1787	Note: Our FTE and Perm exclusion figures are low and so % figures appear high (Green Boxes opposite) . However as of the whole pupil population for Leicester the figures appear more reasonable (Orange boxes opposite). Please note these figures represent only stated pupils known to SES with ADHD. The LA does not measure this criteria for every exclusion type - only this would provide the reader with a realistic value .
	% of PERM population	1 of 9	
	FTE as % of Total Population	16 of 39655	
	PERM as % of Total population	1 of 39655
