

FREEDOM OF INFORMATION ACT 2000

Your request for information has now been considered and the Council's response to your questions is shown below.

You asked:

I would like to know the values attached for the delivery of accommodation based, 24 hour respite service in your local authority.

If possible I would like to know the values for services for people with a learning (adults and children separately). However if this service is provided in your local authority not solely for people with a learning disability I would still like to know the value.

Adult Services

In year 2011 - 12 there were 213 instances of overnight respite stays for a total of 63 people with Learning Disabilities, including Autistic Spectrum and Asperger's Syndrome.

This amounted to £87,092.77 in costs.

Children's Services

The budget allocated for 24 hour short breaks (respite care) for the Children's Social Care & Safeguarding Division was £1,218,768.00 for budget period 2011/2012. This covers the following resources: internal residential and foster care, and externally commissioned placements.
