

## **FREEDOM OF INFORMATION ACT 2000**

Following our response to your Freedom of Information request concerning food hygiene inspections, your further request for information has now been considered and the Council's response to your questions is shown below.

### **You asked:**

**The information we require already exists as a LAEMS report which is sent to the FSA. One option is to supply us with a version of this report which is both up to date and contains the internal business id for each premise.**

**If more convenient, only those premise types which are supplied to the FSA for use in the Food Hygiene Rating Scheme are required.**

### **ANSWER**

In order to provide you with the information requested would require examining 1700 records at 3 minutes per record which will take over 85 hours.

Section 12 of the Act makes provision for public authorities to refuse requests for information where the cost of dealing with them would exceed the appropriate limit, which for Local Authorities is set at £450. This represents the estimated cost of one person spending 2.5 working days in determining whether the department holds the information, locating, retrieving and extracting the information.

We estimate that it will take us in excess of 2.5 working days to determine appropriate material and locate, retrieve and extract the information in reference to your request. Therefore, your request will not be processed further.

The legislation allows you to use the information supplied for your own personal use. Please be aware that any commercial or other use, for example publication, sale, or redistribution may be a breach of copyright under the Copyright, Designs and Patents Act 1988 as amended unless you obtain the copyright holder's prior permission.

Not all the information that is supplied which is covered by copyright will be the Council's copyright, for example it may be the copyright of a government department or another Council. You should seek either the Council's consent or their consent as appropriate. The Council is willing to advise you of any such potential issues on request. In order to make a request to re-use the information please contact the Information Governance Manager using the details below.

If you are dissatisfied with the handling of your request please write to:
